

## STATEMENT OF CHAPTER'S AUTHOR

I, ....., author/main author of the chapter entitled  
.....

declare that the submitted work is my original creation and constitutes a subject of copyright in accordance with the Act on Copyright and Related Rights of 4 February 1994, as amended. I further declare that the work – in whole or in part – has not been previously published in any journal or by any academic publisher, has not been simultaneously submitted to another editorial process in any journal or academic publisher, and will not be submitted elsewhere before the final decision on publication is made by the Editors. I declare that all persons who made a significant contribution to the creation of the chapter have been listed among its authors, and all institutions that financed the research have been mentioned in a footnote. I declare that the work does not infringe the rights of any parties involved in its creation.

I hereby grant consent to transfer the copyright to the work to **Adam Marszałek Publishing** (registered office: ul. Lubicka 44, 87-100 Toruń, Poland, NIP 879-009-35-35, REGON 005730016) together with acceptance of the chapter for publication. The main author signs this statement and assumes responsibility for representing all co-authors of the work. The author's statement includes the complete and final list of authors together with the final version of the chapter.

**Main author** – academic title/degree, name and surname:.....
